**ALABAMA STATE
UNIVERSITY**

Dr. Jason Cable was named the Director of Intercollegiate Athletics at Alabama State University on July 22, 2021, beginning his third year at the department's helm.

During his time at ASU, the Hornets won the James Frank Commissioners Cup as the top overall Athletic program in the SWAC for the first time since 2019 and the seventh time in nine years. The Women's Athletic programs also captured the Sadie Magee/Barbara Jacket Award as the top women's athletic program for the ninth time in 10 years. Student-athletes' academic performance yielded back-to-back SWAC academic awards for the program.

Cable has also led revenue-generation efforts, resulting in a 500% increase in the total number of corporate partnerships within athletics and a 300% increase in the overall total amount of dollars donated to athletics. Additionally, Cable was the Principal Investigator for the Knight Commission on Intercollegiate Athletics Achieving Racial Equity Grant, awarded to Alabama State University in February 2022.

Recently, on April 2, 2024, Alabama State University's Athletic program became the first Division 1 HBCU to add women's Flag Football as a competitive sport.

He came to ASU after serving as Senior Associate Commissioner for Administration at the Southwestern Athletic Conference for nearly three years. In that role, Cable provided vision, leadership, and assistance regarding all conference matters, including corporate sponsorships, fiscal affairs, personnel, strategic planning, public relations, and general operations. Cable was directly involved in

securing and managing a multitude of corporate sponsorships, including NASCAR, Academy Sports, BBVA, Alabama Power, the city of Birmingham and Toyota.

Cable also aided in the creation and execution of the strategic plan for the overall direction of the conference office. Cable oversaw programming and services associated with academics and NCAA legislation and assisted each conference governance group. He also served as the primary administrator for Football, Men's Basketball, Baseball, Men's and Women's Tennis and the SWAC COVID-19 advisory committee.

Cable has an extensive background in athletics, academics, compliance and athletic program leadership, providing him with a unique skill set anchored by a proven record of leadership, integrity and efficiency.

Cable has extensive external operations and revenue-generation experience stemming from his time at Alcorn State University where he served on the president's cabinet.

During his tenure, Cable served as the Principal Investigator for the successful receipt of the \$900,000 NCAA AASP Grant and secured more than \$2,000,000 in supplemental funding to support athletic programs and support services while developing corporate partnerships with NASCAR, Allstate, NUCOR, USTA, and WalMart.

Under his leadership, the number of student-athletes with a 3.0 cumulative GPA or higher increased by 70, and the department reached an all-time high overall GPA of 3.24. Cable also developed the nation's first degree program in NCAA Compliance and Academic Progress Reporting.

A strong advocate for the student-athlete experience, Cable developed and secured funding for several new programs to enhance student-athlete development, including the Alcorn State University Student Athlete and Family Enhancement (S.A.F.E.) Center, an elite academic support, personal development, and refueling facility dedicated to serving student-athletes and their families.

Cable is a native of Huntsville, Alabama. He completed his Ph.D. in Higher Education Administration at Jackson State University in the summer of 2019.

About the Honors Convocation

The annual University Honors Convocation recognizes regularly admitted undergraduate students who have demonstrated outstanding achievement in their academic pursuits. In general, students must have completed at least 15 semester hours of core courses at Alabama State University with a cumulative grade point average of 3.0 or better to qualify for recognition. Special, unclassified and graduate students are not recognized at today's occasion. This does not mean that their achievements are any less important than those noted here.

GEORGE H. ANDREWS STUDENT OF THE YEAR AWARD

Award recipient will be announced during Convocation

The George H. Andrews Student of the Year Award was established to recognize and honor a student who exhibits the qualities of citizenship, scholarship, outstanding community service and leadership to Alabama State University and the community. The competitive award honors a student who excels inside and outside of the classroom. The recipient must be at least a sophomore, exhibit good citizenship, participate in University activities, perform volunteer work on or off campus, and meet specified scholastic criteria. The award was established and funded by George H. Andrews, a 1951 alumnus of Alabama State University, who was named Student of the Year at his graduation. The recipient will receive a trophy and a monetary award.

RECOGNITION FOR STUDENTS WITH PERFECT GRADE POINT AVERAGES

Maintaining an honors average is a noteworthy accomplishment, but maintaining a perfect grade point average is indeed an outstanding achievement. In addition to recognizing all of our honor students, we proudly honor 80 students who have maintained perfect 4.0 grade point averages during their enrollment at the University. To commemorate this occasion, each of these students will receive a large keepsake medallion that bears the image of the Jo Ann Robinson Tower and the legendary logo, Alabama State University 1867.

Lift Every Voice and Sing

Lift every voice and sing, till earth and Heaven ring,
Ring with the harmonies of liberty;
Let our rejoicing rise, high as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

University Hymn

Alabama State, O Mother Dear,
Again we come to thee.
Our pains and sorrows we forget,
When e'er thy face we see.
O happy harbor, blessed place,
O sweet and pleasant soil,
In thee we hope, in thee we trust,
For thee we pray and toil.
Thy Sons and Daughters love thy halls,
Aglow with truth and light,
And every heart beats true to thee,
In whom there is no night.
O Alma Mater, fair and dear,
We proudly hail thy name,
Which far and near is known and loved
And crowned with glowing fame.
Thy campus flowers and shady walks
Bring thoughts of Marion Green
Before thy trials in Beulah Vale,
Which God from us did screen.
But now we stand on College Heights
Content with God's decree.
For all He does is right and good
and makes for Liberty.
